

Question: What changed in Alex's travel plan?

Deep-Dream: concept addresses, version links, source evidence

AGENT-CONTROLLED READ

1 Context tracker previous episode · current uncertainty

2 Concept search Alex · travel · spouse → family F₇

3 Version check latest compatible v₃ ↔ prior v₂

4 Relation walk spouse(Alex) → trip → destination

5 Source read notes.md [12:28] + evidence gate

Evidence sufficient? → answer
otherwise: expand another layer
